

5/26/98.

Harold:

When your letter  
of 5/13/98 came I  
was camping in Utah.  
But I now have,  
thanks to my son who  
is the internet whiz,  
the articles from the  
Times & the Constitution  
on Ray & Donald Wilson  
of the FBI. I'll  
send them the 27<sup>th</sup> or 28.

Regards
